

**Warwick Cosmos – Katherine Diuguid**

Technique – Thread Mixing with Contemporary Goldwork

Design Size – 3” x 6”

Level – All skill levels, handsewing or embroidery experience is recommended

This design is inspired by wild cosmos that Katherine photographed along the roadsides near Greenwood Lake and Warwick, NY. The design, on 36-40 count linen, blends thread mixing with basic stitches with contemporary goldwork embroidery. The threads provided in the kit can be used in various ways for different individual outcomes.

Kit includes – 36-40 count linen, Weeks Dye Works embroidery flosses, metal wires, embroidery needles, instruction booklet and tissue paper

Student to supply – 8”-10” embroidery hoop or equal size stretcher bars or frame, embroidery scissors, a few colored pencils (pinks, reds, yellow), usual stitching supplies, including light and/or magnification if needed
